230V ~ 50Hz; 10A, 10AX**

The designated product to which this declaration refers is used exclusively for operation as a switch and complies with the requirements of the EU directives:

2014/35/EU – Low Voltage Directive (LVD)

Directive of the European Parliament and of the Council on the harmonisation of laws of the Member States relating to the provision of electrical equipment for use within certain voltage limits on the market.

2014/30/EU – Electromagnetic compatibility (EMV)

Directive of the European Parliament and of the Council on the harmonisation of the laws of the Member States relating to electromagnetic compatibility.

2011/65/EU – RoHS2

Directive of the European Parliament and of the Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

2009/125/EG – EuP-Directive(ErP)

Directive of the European Parliament and of the Council establishing a framework for setting eco-design requirements for energy-related products.

The following harmonised standards have been applied:

EN 60669-1:1999/A2:2008
EN 60669-1:2009-10
EN 60669-2-1/A1
EN 50581:2012
